

NATIONAL BANK OF EGYPT

Corporate Governance Code

Published on the NBE Official Website | For Public Distribution

1. Governance Framework

This Corporate Governance Code is issued in accordance with the Central Bank of Egypt Corporate Governance Guidelines for Banks (2022) and Egyptian Capital Markets Authority requirements. It applies to all levels of the bank and is published publicly for transparency and stakeholder accountability.

2. Board of Directors

The Board shall comprise no fewer than seven members, the majority of whom shall be independent. The Board is responsible for setting strategic direction, overseeing internal controls, and ensuring accountability to shareholders. Board members serve three-year terms renewable twice.

3. Risk Oversight

The Board Risk Committee meets quarterly to review the bank's risk appetite statement, credit risk, market risk, and operational risk frameworks. The bank maintains a comprehensive internal audit function reporting directly to the Audit Committee, independent of management.

4. Employee Code of Conduct

All employees are expected to uphold the highest ethical standards. Conflicts of interest must be disclosed immediately. This code is available to all staff, shareholders, and the public on the bank's official website.

This governance code is a public document. For queries: governance@nbe.com.eg
