

CENTRAL BANK OF EGYPT

Consumer Protection Framework for Banking Services

Publicly Issued Circular | Available at www.cbe.org.eg

1. Purpose

This framework is issued by the Central Bank of Egypt to protect banking customers and ensure fair treatment across all licensed banks and financial institutions. It is published for public awareness and applies to all retail banking services.

2. Customer Rights

Every banking customer has the right to: receive clear information about products and fees before signing any agreement; file a complaint without fear of account closure or service reduction; receive a response to any complaint within 15 business days.

3. Fee Transparency

Banks must publish a complete and up-to-date fee schedule on their public website and at all branch locations. No fees may be charged without prior written disclosure to the customer.

4. Complaints Escalation

Customers who are not satisfied with their bank's complaint resolution may escalate their complaint to the CBE Consumer Protection Unit at: consumer@cbe.org.eg
