National Bank of Egypt Reports Record Full-Year 2024 Results

The National Bank of Egypt (NBE) today announced its financial results for the full year ended 31 December 2024. Net profit reached EGP 78.4 billion, up 31% year-on-year. Total assets grew to EGP 3,210 billion, while the loan portfolio expanded by 22% to EGP 1,140 billion.

Return on equity stood at 27.3%. The capital adequacy ratio improved to 18.6%, well above the CBE minimum of 12.5%. Non-performing loans ratio declined to 2.1%, reflecting continued improvements in credit quality.

NBE Chairman stated: 'These results reflect our continued commitment to serving Egypt's economic development agenda and our retail and corporate clients across all 18 governorates.'
