

BANK MISR

Sustainability Report 2024

Environmental, Social & Governance | For Public Distribution

Our People

Bank Misr employed 28,340 staff as of 31 December 2024. Women represent 44% of our workforce, and 38% of management positions are held by women. Average training hours per employee reached 42 hours annually, with 100% of staff completing mandatory compliance and AML training.

Community Investment

In 2024, Bank Misr invested EGP 410 million in community programmes. Our financial inclusion initiative reached 3.2 million unbanked Egyptians across rural governorates, providing access to savings and micro-loan products.

Environmental Commitment

We reduced our carbon footprint by 18% relative to 2022 baseline. Renewable energy now powers 23% of our branch network.

This report is prepared in accordance with GRI Standards and is published on the Bank Misr public website for stakeholders and the general public.
