

Sustainability & Green Banking — 2025 Initiatives

Date: 24 March 2026

Bank Misr's Green Banking Strategy aligns with Egypt's Vision 2030 and the Central Bank of Egypt's sustainable finance framework.

- Green bonds issued: EGP 5 billion (2024)
- Renewable energy project financing: EGP 12 billion portfolio
- Paperless transactions target: 80% by end of 2025
- Carbon footprint reduction: 25% vs 2022 baseline
- EV loan program launched: 10,000 beneficiaries targeted
- Solar panels installed at 50 branches
