

BANK MISR — INTERNAL MEMORANDUM

New Core Banking System — Staff Announcement

To: All Operations Staff

From: IT Department

Date: 15 January 2025 | For Internal Circulation

We are pleased to inform all staff that the bank has completed the selection process for our new core banking platform. The system will be provided by Temenos and is expected to go live in Q3 2025.

Training Schedule

All operations staff will receive mandatory training on the new system before go-live. Training dates will be communicated by your department head. Please ensure your leave plans do not conflict with the training schedule.

This announcement is for staff awareness only. The commercial and contractual details of the agreement are confidential and not included in this notice.
