

Information Security Awareness — Phishing Alert

■■■■■■■■■■ ■■■■■■ — ■■■■■■■■■■ ■■■■ ■■■■■■

Ref: IT/SEC/678 | Date: 30 March 2026

The IT Security team has identified a phishing campaign targeting Bank Misr employees. Fraudulent emails purporting to be from 'IT Support' are requesting staff to click a link and enter their portal credentials.

What To Do

- Do NOT click links in suspicious emails.
- Do NOT enter your credentials on any page accessed via email link.
- Report suspicious emails to: security@bankmsr.com.eg
- If you clicked the link, change your password immediately and call ext. 4000.

Bank Misr IT will NEVER ask for your password via email.
