Date: March 2025

Welcome to the Q1 2025 edition of the Bank Misr internal newsletter, keeping all staff informed of key updates across the organization.

Strategic Update

The bank continues to execute on its 2025–2028 strategic plan with strong momentum in digital transformation, customer acquisition, and operational efficiency. Total assets grew 18.7% year-on-year to EGP 1.24 trillion.

People & Culture

Over 1,200 staff completed mandatory compliance training in Q1. New wellbeing initiatives have been launched including an employee assistance programme and flexible working arrangements for eligible roles.

Technology Spotlight

The new core banking upgrade is on track for Q3 2025 deployment. The mobile banking app passed 4 million active users, a 40% increase vs Q1 2024.

Employee of the Quarter

Congratulations to Omar Adel Youssef for outstanding performance in customer service excellence across the branch network.
