

BANK MISR — CONFIDENTIAL

IT Services Agreement

This agreement is between Bank Misr ('the Bank') and TechSolutions Egypt LLC ('the Vendor'), for the provision of cybersecurity monitoring services.

Scope of Services

The Vendor shall provide 24/7 Security Operations Centre (SOC) monitoring, monthly vulnerability assessments, and quarterly penetration testing across the Bank's perimeter network and internal systems.

Commercial Terms

Annual contract value: EGP 4,200,000 (four million two hundred thousand Egyptian Pounds), payable in quarterly instalments of EGP 1,050,000.

Confidentiality

Both parties agree to treat the terms of this agreement as strictly confidential. Neither party shall disclose the contract value or scope to third parties without prior written consent.

Term: 2 years from 1 January 2025 | Procurement Department | Confidential
